

Calgary Junior Programs ~ Fall Leagues

Who/What is CJP?

The Calgary Ladies Field Hockey Association (CLFHA) and the Field Hockey Association of Calgary (FHAC) provide joint funding for a paid employee to coordinate Calgary's Junior Field Hockey Programs. It is also supported (non financially) by Field Hockey Alberta (FHA).

CJP offers different programs for boys and girls aged 5 - 18. This fall we are offering U14 Mixed League and U18 Girls League. We will also be offering programs for our younger athletes beginning in October.

CJP is run through the efforts of volunteers and we need your help!!

Call for Coaches

In order to offer our U14 and U18 leagues we require coaches. We would like to have 2 coaches per team.

What is required of you?

League runs September 8th - October 25th

- 1 practice/week (Monday, Tuesday, or Wednesday)
- 1 game/week (Saturdays)

Practices and games are at the U of C (exception when Dinos have home games)

Never coached before? No problem! We can pair you with a more experienced coach or you can make your own coaching pair. We also have coaching manuals that include basic rules, fun games, strategy and complete practice plans.

****New this year CJP will reimburse for U of C parking****
